Rep. Mary E. González files for re-election
Gonzalez has raised over \$50,000 since June

El Paso, TX-- Rep. Mary E. González (D-El Paso) filed for re-election today at the El Paso Democratic Party Headquarters. González also announced that she has raised over \$50,000 since the legislative fundraising moratorium ended in June.

"I can't believe it's already been a year since I was first elected. My freshman term has flown by. I'm proud of all that we've accomplished but we still have so much more to go," said González.

González passed four bills this year, including a study to help create a pathway to bring dairy farms back to El Paso County and one to bring 1,000 families waste water service. Because of her accomplishments González was named Freshman of the Year by the Mexican-American Legislative Caucus.

"We accomplished a lot this year, but that hasn't stopped some from wanting to go back to the old way of doing business," added González. "Because of that we decided very early on to be prepared for any and all challengers. Since June we've raised over \$50,000 from hundreds of donors across the state who agree that we need to move El Paso County forward."

The 2014 Democratic primary will be held on Tuesday, March 4, 2014.
