**David Simpson Announces Over 170 East Texas Conservative Endorsements**  
*Grassroots, Republican and Community Leaders Support Simpson*

(Longview, TX) Just one day after confirming his intentions to run for the State Senate, David Simpson announced a robust and rapidly growing list of conservative leaders and activists who recognize his principled and stalwart advocacy for the freedom and success of every citizen in Senate District 1.

"I am very grateful to have received the support of so many conservative leaders in East Texas. The race to succeed Senator Eltife will surely be a crowded one, so the support of grassroots leaders will have a tremendous impact in a crowded field. I'm encouraged too that as we campaign across East Texas so many citizens from all walks of life are ready to promote liberty, restore personal responsibility and get government out of the way of prosperity," commented Simpson.
